Dr. Meigs read to the Society a paper upon the Marsupial Gestation of Didelphis Virginiana, which was referred to a Committee, consisting of Drs. Hays, Bache, and Condie.

The Committee on the Hall made a report upon the subject of the renting of the rooms now occupied by the Athenæum, referred to them on the 5th February, 1847.

The same Committee reported that the memorial to the Legislature, authorized at the last meeting of the Society, had been prepared, and placed in the hands of Mr. S. W. Roberts, by whom it had been presented to the Legislature, and the desired permission obtained.

Whereupon it was ordered that the thanks of the Society be returned to Mr. S. W. Roberts for his exertions in behalf of the Society, and that the Treasurer be authorized to repay to Mr. Roberts the sum expended by him while engaged in the business of the Society.

The Act of the Legislature referred to in the report of the Committee on the Hall was then read, and ordered to be entered at large upon the minutes of the Society.
